# SLATESTONE PORCELAIN

All the power of nature, creating elegant and sophisticated spaces.

The rawness of the stone at the service of decoration.

This is how the Slatestone series is defined, made in porcelain and comprising three shades: Black, Grey and Pearl, all combinable with each other.

Its variety of sizes allows it to adapt perfectly to every coating needs, both interior and exterior, since Slatestone has two sizes made of non-slip finish.

Toda la fuerza de la naturaleza, creando espacios elegantes y sofisticadas.

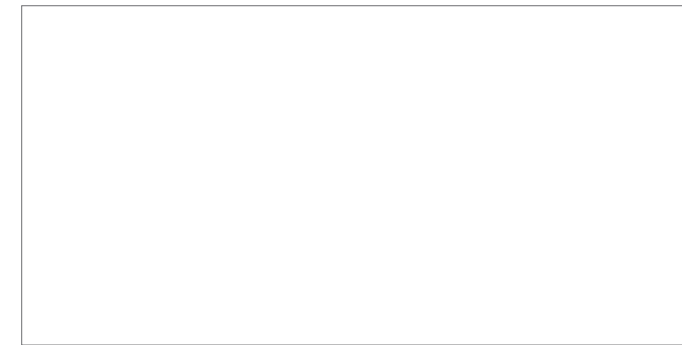

La estructura compactada de la piedra al servicio de la decoración.

Así se define la serie Slatestone, realizada en porcelánico y que comprende tres tonos: Black, Grey y Pearl, todos combinables entre si.

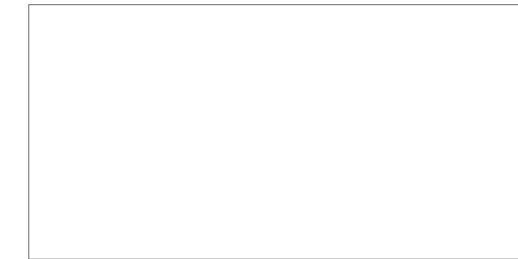

Su variedad de formatos la permite adaptarse perfectamente a cada una de las necesidades de recubrimiento, tanto interior como exterior, puesto

que Slatestone cuenta con dos formatos realizados en acabado antideslizante.
